What to do when evacuating:

1. Gather water, food, clothing, emergency supplies, and insurance / financial records.
2. Wear protective clothing and sturdy shoes.
3. Secure your home.
4. Turn off the main water valve and electricity, if instructed to do so.
5. Let others know where you are going.
6. Leave early enough to avoid being trapped by severe weather.
7. Follow recommended evacuation routes.
